TRAINING AND INTERNSHIP CONTRACT n.ING on (According to Article 4, § 2 of the Ministerial Decree No. 142 of 25 march 1998)

The present agreement governs relations between:

- **The degree courses of Macro Engineering, University of Rome "Tor Vergata"**, fiscal code No. 80213750583, with its registered office in Rome – n 1, Via del Politecnico , represented by the President of the Course, **Prof. Giovanni Schiavon**, born in **Padova** on **17/05/1958** authorized for the following by the University Senate and by the Board of Administration on 22nd September, 2009 and 30th September, 2009

and

- the host Organization, fiscal code No....., VAT No....., with its registered office in, Via, represented by, born inon....., for his office and for the effects of the present contract domiciliated on the company address, hereafter referred to as “the Organization”

The following is hereby agreed:

ART. 1

The purpose of the present agreement is, in accordance with Article 18 of the law No. 196 of 24 June 1997, “Norme in materia di promozione dell’occupazione” (c.d. “pacchetto Treu”), (employment promotion regulations) and in accordance with the Ministerial Decree No. 142, dated 25.03.98, issued by the Ministry of Labour and Social Security and by the Minister of Education and the Minister of University and Scientific Research, to promote training and orientation initiatives for graduating university students of the **degree courses of Macro Engineering – Università degli Studi di Roma “Tor Vergata”**. The subject matter of the internship programmes agreed upon by the University and the Organization is the acquisition of direct knowledge of the working world through which the trainee will complete his/her academic career and be facilitated in the choice of working career.

ART. 2

The trainee shall be assisted during the period of internship in the Organization by a tutor of the company and a tutor of the **degree courses of Macro Engineering - Università degli Studi di Roma “Tor Vergata”**.

The Organization shall favour the internship experience by informing the student about the technologies, the organization, the production processes and the different work phases in the company. The Organization shall also on request present a statement on the skills or competences acquired by the trainee.

ART. 3

The internship cannot in any way be considered a work relation. The Organization does not have any kind of obligation to employ the trainee when the internship is over. Even though the trainee is not obliged to respect the other employees’ working hours during the internship, he/she must follow the company supervisor’s instructions and the internal standards, rules and regulations, especially those regarding holidays, hygiene and safety.

The trainee must maintain secrecy on confidential information about products, processes and on any other information regarding the organization that he/she may come in touch with during the internship.

ART. 4

Tasks and duties that the trainee has performed during the period of internship may be recognized in credits certified by the **degree courses of Macro Engineering – Università degli Studi di Roma “Tor Vergata”** and can be part of the trainee’s *curriculum*.

ART. 5

The University will provide for the INAIL insurance coverage for the trainee (gestione per conto). In case of on the job injuries the trainee agrees to immediately inform the Organization and to forward the necessary certificates. The trainee must also let the University have the certification. The trainee shall also be ensured by the University insurance for civil responsibility, at insurance companies operating in this sector.

UNIVERSITÀ DEGLI STUDI DI ROMA “TOR VERGATA”

Struttura di Raccordo Macroarea di Ingegneria
Via del Politecnico, 1 - 00133 Roma

ART. 6

The Organization agrees to formalize the internship relation with the trainee through an agreement containing the modalities of the stage (place, period, purpose, content and names of supervisors) and the insurance coverage as defined in the preceding Art. 5 of the present agreement.

ART. 7

The present agreement is **valid for ..2... years** starting from the day on which it was signed. To extend the agreement the Organization must present the **degree courses of Macro Engineering - Università degli Studi di Roma “Tor Vergata”** with a written request before the end of the agreement.

ART. 8

The present agreement will be registered and stamped if used in accordance with Articles 5, 6, 39 and 40 of the Presidential Decree No. 131 dated 26.04.1986 and Articles 2 and 32 of the Presidential Decree No. 642/72. The relative costs will be paid by the demanding part.

Read, approved and signed.
