Accommodation

Linnaeus University is unable to offer accommodation for Erasmus students. If you belong to this student category, you need to search for housing on your own.

We want to facilitate your search for housing as much as we can. You are always welcome to contact us at inexchange@lnu.se if you have any questions regarding finding housing in Växjö.

The Student Union have a guide for finding accommodation in Växjö on their website, you can find it here: <http://linnestudenterna.se/vaxjo/>. Please read it carefully and follow their recommendations.
